# Wren Overall Rank:

RecycleMania is a ten-week recycling competition among nearly 500 colleges and universities across the country. We're having our own competition at Tufts to increase our campus wide recycle rate. Dorms and houses will be rated three times over the year: once during a five-week trial period in the Fall and twice during the ten-week RecycleMania competition in the Spring (once each half). 1<sup>st</sup> and 2<sup>nd</sup> Round grades will be averaged to determine the final grade for the dorm. Grades are based on the percentage of trash that could have been recycled. An **A** is 0-5%, **A-** is 5-10%, **B+** is 10-15%, **B** is 15-20%, **B-** is 20-25%, etc.
